*\*Half Day Simple is workable for cases involving two parties, when the amount in controversy is limited and the matters in dispute are relatively simple, such as is the case in the low impact MVA.*

*Available from 9:30 am to 12:30 pm or 2:00 pm to 5:00 pm.*

*\*Half Day Complex is required for all employment and probate matters, personal injury cases involving allegations of medical expenses in excess of \$100,000 and/or death or serious permanent injury. It may also be the best choice for other cases that, for whatever the reason, require more time to resolve than the Half Day Simple format allows.*

*Available from either 9:00 am to 1:30 pm or 1:30 pm to 6:00 pm.*

If you have a case you believe is resolvable in **two hours or less**, please contact our offices. (We set aside approximately one day each month for the resolution of these cases; Angie will let you know all available upcoming dates.)
